

**SOUTHAMPTON  
ORIENTEERING CLUB**

presents the

**RESULTS**  
of the  
**31st NOVEMBER CLASSIC**

held at  
**MILKHAM & HOLLY HATCH,**  
**NEW FOREST**

on  
**Sunday 1st NOVEMBER 1997**

**ORGANISER'S COMMENTS****Graham Harrison**

.It was with some trepidation that I accepted the task of organising the Classic this year, having no previous experience in organising events of this size. The advice given to me initially was to choose my team leaders carefully, and in good time, and sit back and let it happen. I did and it happened.

The New forest is a beautiful part of England and offers it's own unique kind of orienteering. This year was no exception with many competitors commenting on the variety of terrain (not all favourable - you have to accept that knee-high heather and head-high bracken are features to be expected!)

Because of the unique nature of the New Forest it is often difficult to find suitable car parking near to the competition areas and for the second time it has been necessary to bus people to the start, and this year back from the finish. I hope that you were all suitably impressed with our bus service and any minor delays compensated by the weather and the autumn colours. It was decided to adopt a flexible approach to start times, bearing in mind the bussing arrangements but in fact there were very few changes at the end of the day.

It was with regret that it was necessary to charge for car parking but in retrospect the use of Ocknell campsite was a wise decision bearing in mind the recent high rainfall.

Efforts at producing an "on the day" provisional results service initially looked to be very promising, giving a focal point in the assembly area, but were unfortunately thwarted by a computer/printer incompatibility problem. However full results were posted onto the BOF web page by Monday evening.

My sincere thanks to the planners, the controller, the enthusiastic band of SOC helpers and you the competitors for making another successful November Classic on such a superb day.

**PLANNERS' COMMENTS****David Nixon****PLANNERS' COMMENTS****David Bonser****CONTROLLER'S COMMENTS****Mike Pemberton(BKO)**

It is always a pleasure to control an event for SOC and this was no exception. The SOC team went into action and everything seemed to run smoothly on the day, I certainly heard no complaints., Well done Graham and the hard working SOC team.

The terrain in this part of the forest was already tough going without the heavy rain we had for most of October. The two David's did their best to keep you out of the really bad stuff and from the comments at the finish most of you enjoyed your courses. The juniors were well

served in having a very experienced planner of junior courses in David Nixon, who put together some demanding and interesting courses. David Bonser stepped in late in the day when the original planner of the long courses became unavailable. David was our computer guru producing master control maps, descriptions etc. at the drop of a hat. He and DN also put together the best set of overprinted maps I have seen with not a single map out of approx. 1000 rejected.

Some of you had a little to say about the vegetation marking on the map and several pointed out how it was impossible to tell ankle deep heather from heather that is above the waist and impedes progress! I can only sympathise as I hit the problem you did on Sunday morning! Similarly there were a few disagreements about what constitutes a distinctive vegetation boundary and whether it varied from one part of the map to another. I hope these minor irritations did not mar what turned out to be a very pleasant day's orienteering in the beautiful New Forest. Thanks again to SOC for a very enjoyable event.

Finally the competitors on the W16B and W18B courses are awarded Iron standard at the controller's discretion due to the small number of competitors on those courses.

### **ACKNOWLEDGMENTS**

SOC would like to express thanks to Brian Watkins of CARDINAL COMPUTERS for providing ideal times for the event from which your Ranking Points have been calculated.

**BADGE STANDARD CALCULATIONS**

BADGE standards have been calculated according to current BOF guidelines. These state that in calculating Badge times "only the results of those entering the competition as BOF members will be counted".

**BOF NATIONAL BADGE SCHEME**

You may use these results for your Badge Awards. When you have three similar standards, you may buy *Gold*, *Silver*, *Bronze* or *Iron* badges as follows:

Metal Brooch Badge	£1.50
Woven Cloth Badge	£1.00
Age or year flash	£0.40
Certificate	£0.30

Apply by sending a copy of your results, a cheque made payable to BOF and a stamped addressed envelope (22 x 16 cms) to:

S. and V. Johnston  
The Alders  
Blencowe  
Penrith, Cumbria,  
CA11 0DB

For more Badge Scheme details see BOF Rules, Compass Sport or contact the National Office for an explanatory leaflet.
